## Summer Employment Opportunity

**Position:** Summer Food and Garden Intern

Cedar Cottage Neighbourhood House is looking for Summer Food and Garden Intern to provide the inspiration and knowledge to support food security activities during the summer months.

### Specific areas of responsibilities include:

1. Summer Garden Projects (work with Volunteers and Staff)
  - Work with staff, participants and volunteers to support current gardening
  - Work with youth around summer garden projects-including workshops around climate change, sustainability, food and gardening
  - Prepare and make recommendations for the garden during the winter
2. Implement Weekly Garden Education Workshops (work with Volunteers and Staff)
3. Develop an overview of menu planning for food programs (including food purchasing options)

This schedule requires a flexible schedule dependent on activities (Saturdays and evening work to be considered)

### Qualifications:

- Current student or completion of a post-secondary degree or diploma in studies related to food security or agricultural studies
- Knowledge of menu planning and food purchasing
- Knowledge of food security programs that work to build capacity
- Demonstrated knowledge of outcomes and vision for community based/neighbourhood house work with an understanding of working from a social justice perspective.
- Ability to lead and connect to people from diverse backgrounds
- First Aid Certificate
- Valid Criminal Record Search
