Internal/External Employment Opportunity

Position: Early Learning and Family Development Worker

Cedar Cottage Neighbourhood House is looking for Early Learning and Family Development Worker to work as part of a team to develop programs for families with young children. The Early Learning and Family Development Worker will provide leadership for programs that support young children to thrive.

Specific areas of responsibilities include:

1. To develop quality family resource programs to help families and their children to connect, thrive and belong. The heart of this work will be the delivery of activities to include Evening Family Drop In, Mother Goose, Health promotion, literacy and learning, food security, baby blanket programs, special events, cultural healing and other parent education programs (Nobody's Perfect)
2. To develop strength-based activities for families to learn from each other and showcase their talents
3. To support families around food security, poverty, access to community resources, cultural connections and learning-activities will include food hampers, child care, housing, children with extra support needs

This schedule requires flexible hours dependent on activities (Saturdays and evening work to be considered)

Qualifications:

- Completion of a college or university program in social work, child and youth care, early childhood education, counseling or other social science or health-related discipline is preferred.
- Knowledge and/or experience developing strength-based programs in a community setting-1-2 year's experience developing family resource programs where young children thrive
- Ability to lead and connect to people from diverse backgrounds towards inclusion in a multicultural setting
- First Aid Certificate and Valid Criminal Record Search
