

Better at Home Programmer

JOB OVERVIEW

You will bring your senior's programming skills for this rewarding role. You will be joining a dedicated team of community focused specialists with a desire to build a stronger community with our local seniors as part of our refocus to make Vancouver's diverse Westside into a sustainable, healthy and connected community where everyone thrives.

Under the supervision of the Better at Home Coordinator, the Better at Home Programmer helps run key non-medical services requested by the Provincial Government to assist local seniors, especially around food security, social connectedness, independent living, and general wellbeing.

KEY RESPONSIBILITIES

- Provide a safe, welcoming and inclusive environment for seniors / older adults
- Support seniors in accessing social, economic, recreational and educational services and resources in the community
- Write program reports, collect statistics and keep other program related documentations in order
- Engage, liaise and maintain partnerships with community agencies and other service providers
- Schedule housekeepers and volunteers for assigned activities
- Participate in SSSC/Better at Home volunteer orientation and training
- Respond to in-person email and telephone enquiries about SSSC/Better at Home services
- Assist with participant intakes and maintain our client database
- Produce statistics, monthly/annual reports, questionnaires, surveys, and letters under the direction of the Coordinator of the Better at Home
- Participate and assist in organizational events; attends all staff meetings and trainings

QUALIFICATIONS

- Experience in, or degree related to Social Work, Community Development or an equivalent combination of education, training and practicum
- Good understanding of senior's issues and how to work with barriers faced by older adults
- Experience working from a strength-based model of service delivery
- Excellent organizational, administrative, listening, written, verbal, and cross-cultural communication skills
- Strong knowledge of Microsoft Office (Word, Excel, Outlook, Access)
- Proven ability to work independently, lead and facilitate groups, supervise volunteers, organize and manage projects, conduct outreach, and develop community partnerships

K I T S I L A N O
