Youth Programmer – Youth Skills

Frog Hollow Neighbourhood House & ANHBC

Frog Hollow Neighbourhood House is a volunteer-driven, community-service organization. Our mission is to make neighbourhoods better places to live. Our goal is to enable people to enhance their lives and strengthen their communities. Our challenge is to work with communities to develop innovative programs and services that meet the changing needs of a diverse population.

The Association of Neighbourhood Houses of BC (ANHBC) builds healthy and engaged neighbourhoods by connecting people and strengthening their capacity to create change. ANHBC is the legal entity and umbrella organization made up of eight neighbourhood houses, an outdoor camp and central services. We operate more than 300 community-based programs and services for a diversity of participants. At ANHBC, we are committed to Reconciliation, Decolonization and Anti-racism. Together with community, we build strong and supportive relationships at welcoming and inclusive sites throughout Metro Vancouver. To learn more about ANHBC, visit www.anhbc.org.

About the Position

Youth Programmer works with a driven and creative Youth Services team to develop and facilitate workshops, and support youth in the Youth Skills program at Frog Hollow Neighbourhood House. Youth Skills is a leadership and community engagement program for BIPOC youth aged 15-30 living in East Vancouver. This program is designed to fill gaps in life skills and leadership training, community service, and create a space for youth to connect with others experiencing similar life experiences. The future cohorts will focus on Climate Justice work. This position requires a combination of in-person work at Frog Hollow Neighbourhood House and Drive Youth Employment Services. Some evening work is required.
